Ceasar Salad (Healthy Alternative)

Ingredients:

- 1 cup spinach
- 4 oz grilled chicken breast, sliced
- 1 tbsp parmesan cheese
- 1 tbsp low-fat Caesar salad mixed with 1 tbsp olive oil

Directions:

1. Spinach already comes in individual leaves, so you don't have to worry about ripping it apart in the morning when you're pressed for time.
2. Grill some chicken over the weekend and freeze it to increase the simplicity of preparing a lunchtime salad.
3. Add chicken to the spinach before going to work.
4. In a separate container, mix the low-fat Caesar salad dressing with olive oil.

Chips and Salsa

Ingredients:

- 1 whole-grain soft tortilla
- 1 tbsp olive oil
- ½ tsp sea salt
- 1 can tuna
- ¼ cup salsa

Directions:

1. The night before you plan to have a snack, heat olive oil in a pan over medium-to-high heat and tear up a soft tortilla into smaller bite-sized pieces.
2. Place them in the oil and let them sit for a couple of minutes. Remove them from the oil and place on a napkin to allow the oil to drain.
3. Sprinkle a small amount of sea salt for flavor.
4. Mix the salsa and tuna together and place in a container for the next day. Serve the tortilla chips with the tuna and salsa dip at work.
